Include the following with this form:

For Plan Reviews

Please complete the Architectural Barriers Project Registration form. Forms may be obtained from Jason R. Brumley.

One complete set of construction documents must be submitted for review within (5) five days of issuing to owner, (drawings and specifications for all disciplines) signed, sealed, & dated by the design professional with the overall responsibility for the project (Architect, Engineer, Interior Designer, or Landscape Architect).

A check made payable to Jason R. Brumley, covering the appropriate fee. Inspection fee(s) may be submitted with plan review, or separately. Please allow 7-10 working days for a review to be completed.

For Inspections

A check made payable to **Jason R. Brumley** covering the appropriate fee.

Please Note: An inspection request is required no later than 30 days after construction completion date.

Special (Preliminary) Inspections

Please contact Mr. Jason R. Brumley minimum of (5) working days prior to special inspections.

Note: Although not required by law, special inspections are highly recommended prior to substantial completion of construction

Responsibility for compliance with Article 9102 of the Texas Civil Statutes is placed upon the design professional with overall responsibility for a project, and/or the Owner of a facility. Plan Review shall not be construed as acceptance of responsibility for such compliance by Jason R. Brumley. Financial liability is limited to fees paid.
